A completely revised edition of this popular, small format atlas in the world's most prestigious and authoritative world atlas range. All the mapping and information in this revised edition has been brought fully up to date to give an accurate picture of today's world. The recent declaration of Montenegro and Serbia as two independent countries is a significant change to the atlas. Detailed reference maps in the distinctive and respected Times style provide balanced, systematic coverage of all parts of the world. All maps have been fully revised to take account of any recent environmental and ...
