The Staff of Let's Go Publications Completely revised and updated, Let's Go: Paris is your insider's guide to the City of Light. Our forty-five years of travel savvy deliver everything you need to know to be mistaken for a native, from an expanded introduction to contemporary Paris to tips on ordering un café like a local. This edition examines Paris from every angle, telling you where to find falafel on rue de Rosiers and giving you opportunities to experience the city's social issues first-hand. So, whether you'd rather savor foie gras under the gaze of wine-making wax monks or stroll the cobblestone Quai de Valmy near the locks of Canal St-Martin, Let's Go can show you the way.
