A gorgeous, wise and witty new collection of stories about the complexities of love, family and friendship, from the author of *Away*. A young woman struggles to come to terms with her friend's murder; a man and his daughter-in-law confess their sins in the most unlikely of places; a daughter returns to her hated father's house to care for him in his final days and discovers an unexpected bond; and, in a set of interlocking stories, two middle-aged friends, married to others, find themselves irresistibly sexually drawn to one another.

In this sensuous, funny, and heartbreaking new book, Amy Bloom explores the unexpected patterns that love, and its absence, weave into our lives. With her generous and clear-eyed understanding of human complexity and contrariness, the award-winning author introduces us to some of her most unforgettable characters yet.
